Re: Rochelle/Hillcrest Sewer Agreement

Dear Mayor Olson:

Last April, Rochelle and Hillcrest entered into "An Agreement For Wastewater Conveyance and Treatment." Article IX of that Agreement requires Hillcrest to take certain legislative action within 120 days of the Agreement, i.e., by September 1, 2011. Hillcrest has not taken the required action.

As you know, I took office on May 1, 2011, and was not involved in the development of the sewer agreement. I was never informed that Hillcrest needed to take any immediate action in regard to the sewer agreement. The new Village Attorney discovered this only recently and immediately brought it to my attention.

The sewer agreement is very important to Hillcrest. We are working on locating funding to construct the necessary sewer system in the Village. Hillcrest requests that Rochelle grant a 120 day extension of the time to comply with the requirements of the sewer agreement. Please feel free to contact me or our Village Attorney, Paul Keller, if you would like to discuss this. Alan Cooper has Mr. Keller's contact information.

Thank you for your consideration.

Kim Whalen
Village President
