“Preserving Flagg Township Heritage”

May 6, 2012

Dear City Council,

During the community event- Lincoln Buy-Ways Aug 9-12, Flagg Township Historical Society will be hosting an art show. Some of the art show will take place on the museum lawn, but more space is needed for local artists. In order to have a nice event, we are requesting 6 parking spaces adjacent to the Museum building on the South side.

Please let us know if we could have those parking spaces for those 4 days. Thank you for your consideration,

Sincerely,

Debby VanDyke *Janet Stocking*
