Dear Mr. Plyman:

We would like have a procession with our Eucharistic Lord, which would involve using some public roads. This would take place on Sunday, June 10, 2012, the solemn feast day of Corpus Christi. The procession will begin at St. Patrick Catholic Church at about 1:30 pm. We would like to leave from our parking lot on Kelley Dr., go east to Caron Rd., north on Caron and turn into our Education Center parking lot, circle the Education Center, come back out and head south on Caron to 7th Ave., west on 7th Ave. to Kelley Dr., north on Kelley, and follow Kelley back to our parking lot.

I appreciate your consideration, and look forward to your response.

Sincerely Yours in Christ,

Rev. Steven J. Lange
