REGULAR MEETING 08/13/12
EMPLOYEE INTRODUCTION
Tyler Carls – Fulltime Firefighter/Paramedic Fire Department**

Tyler Carls began his fulltime firefighter career on Monday, July 23rd. Carls originally joined the fire service in May of 2009, immediately after graduating from Rochelle Township High School, as a paid-on-call firefighter with the Ogle-Lee Fire Protection District, serving at the Flagg Center station. He later joined the Rochelle Fire Department as a paid-on-call firefighter in August of the same year. He has served as a “sleeper” or a fill-in for our fulltime staff since that time. Firefighter Carls earned his Illinois Certified Firefighter II and completed the EMT-Paramedic Associate of Applied Science Degree at Kishwaukee College. In his short career, Tyler has earned his Illinois Fire Service Instructor certificate, Hazardous Materials – Operations level certificate, Basic Operations Firefighter and is a field instructor for the Illinois Fire Service Institute in the Wildland Firefighter Program. It is my extreme pleasure to introduce Firefighter Tyler Carls.
