Mr. Chet Olson and Rochelle City Council  
Rochelle City Hall  
Corner of 4<sup>th</sup> Avenue and 6<sup>th</sup> Street  
Rochelle, Il 61068

Dear Mayor Olson,

This letter is to request the light use of Lawnridge Cemetery on Sunday, September 30<sup>th</sup> for a Living History Presentation: Tales from the Tomb whereby people dressed in costume represent various people who once lived in Rochelle. Actors tell about their lives and what life was like during the time period they lived.

Impact to the cemetery will be minimal. No damage to grave stones or roads. Visitors walk from grave to grave to hear about the people. Some chairs are set up at each grave. This year, I hope to secure a golf cart to move the very elderly or disabled from grave to grave on the roads. The golf cart will not proceed onto the grass.

The cemetery walk will be from 1 - 4 p.m. The set up and take down will take place just before and after the walk. Thank you for your consideration of this request.

Sincerely,

Peri Ann Query  
Flagg Township Museum Volunteer
