

Administrative Committee Minutes of Thursday, April 5, 2012

Council Persons Present: Kathy Hollonbeck, Ed Rice, Dave Eckhardt, Chairman

The first order of business was to approve the minutes of the Administrative Committee Minutes of October 3rd, October 18th, and December 16, 2011. No additions or corrections were made so they were approved as submitted.

There were 3 items on the agenda for this meeting. The first item to be discussed was Beer Gardens. Bruce McKinney provided the group with examples from other communities of the rules they have in place. The suggestion by this committee was that a sub-group be formed and take the best of what each of these examples have and use that as a frame work to create new rules for this area. The second item for discussion was Liquor License Fees. The group reviewed these rates again and will make a recommendation to the council that we increase the rates per the schedule presented to us. The last item to be addressed was fees for an initial Liquor License. It was the consensus of the group that we should at least cover our cost. So we will recommend to the council to institute a \$500 fee. There being no other business the meeting was adjourned.
