City Of Rochelle  
Attn: City Manager  
420 North Sixth Street  
Rochelle, IL 61086

To The Rochelle City Manager and The Rochelle City Council;

Last year the Rochelle Community Hospital Foundation hosted the Hospital Hustle 5K Fun Run/Walk at the Atwood Park Bike Path entrance; the event hosted 228 participants. This year I would like to keep the same race route but reverse it. We will start on the Rochelle Township High School Campus. There will be ample space for bystanders to cheer on the runners and walkers as well as offer more parking. I have received approval from the Rochelle Park District and Rochelle Township High School (RTHS) to begin the 5K at the RTHS Football Stadium; it would continue south down Purple Pass Drive, cross Flagg Road, continue south on the bike path, and turn around at the 1.5 mile mark (Atwood Park). Participants would then make their way back, heading north, crossing Flagg Road again and ending on the RTHS Campus. I am requesting the use of Flagg Road during the race along with the help from the Rochelle Police Department for blocking the road during the time runners/walkers need to cross. The Hospital Hustle will take place on Saturday, June 1, 2013. Registration begins at 7:00-7:50am and the race starts at 8:00am and usually finishes by 9:00am (including walkers).

I welcome any questions you may have and can be contacted at 815-561-3110. I appreciate your time and look forward to hearing from you.

Sincerely,

Emily Anaya
