Re: Bid Evaluation – 2013 Model Year Regular Cab Single Axle 4x4 Truck w/ Dump Body

On Friday, February 22 at 11:00 AM, we open bids for a new 2013 model year, Regular Cab, Single Axle, 4x4 Truck with Dump body.

We received four (4) bids and they were:

1. Badger Truck Center, Milwaukee, WI bid a Ford F450 for \$46,860.00
2. Brad Manning Motors, DeKalb, IL bid a Ford F450 for \$47,386.00
3. Liberty Chrysler, Jeep, Dodge & Ram, Libertyville, IL bid a Dodge Ram 4500 for \$47,439.39
4. Prescott Brothers, Rochelle, IL bid a Ford F450 for \$47,642.96

After reviewing the bids, all four bidders met the minimum specifications.

I recommend the bid to be awarded to the second lowest bidder, Brad Manning Motors, DeKalb, IL for a new 2013 model year, regular cab, Single Axle, 4x4 Truck with dump body for the sum of \$47,386.00. The lowest bidder, Badger Truck Center in Milwaukee, WI is 116 miles from Rochelle which would cause greater servicing costs.

We will be replacing E8 which is a 2001 GMC 3500 Dump Truck and we will auction this unit off at Bearrow's Auction facility at a later date.

In the 2012/ 2013 capital outlay budget, we budgeted \$58,000.00.
