Re: Bid Evaluation – 2013 4x2 Pickup Truck w/ Tommy Gate

On Friday, February 22 at 11:00 AM, we open bids for a new 2013 model year, regular cab, 4x2 pickup truck with a minimum GVWR rating of 7050 lbs, including a rear mounted Tommy Gate.

We received six (6) bids and they were:

1. Brad Manning Motors, DeKalb, IL bid a Ford F150 for \$18,769.00
2. Prescott Brothers, Rochelle, IL bid a Ford F150 for \$19,238.00
3. Ray Chevrolet, Fox Lake, IL bid a GMC 1500 Sierra for \$19,947.00
4. Sawicki Motors, Rochelle, IL bid a Chevrolet 1500 Silverado for \$21,249.00
5. Liberty Chrysler, Jeep, Dodge & Ram, Libertyville, IL bid a Dodge Ram 1500 Tradesman for \$21,478.39
6. Whiteside Chevrolet, Cadillac, Buick & GMC, St. Clairsville, OH, bid a GMC 1500 Sierra for \$22,590.00

After reviewing the bids, all six bidders met the minimum specifications.

I recommend the bid to be awarded to Brad Manning Motors, DeKalb, IL for a new 2013 model year, regular cab, 4x2 pickup truck including the Tommy Gate for the sum of \$18,769.00.

I would also bring to your attention that the second lowest bidder, Prescott Brothers of Rochelle was \$469.00 higher than Brad Manning Motors.

We will be replacing E10 which is a 2002 Chevy S10 pickup truck and we will auction this unit off at Bearrow's Auction facility at a later date.

In the 2012/ 2013 capital outlay budget, we budgeted \$26,000.00.
