Re: Homecoming Parade on Thursday, October, 3rd, 2013

Dear Mayor Olson and City Council,

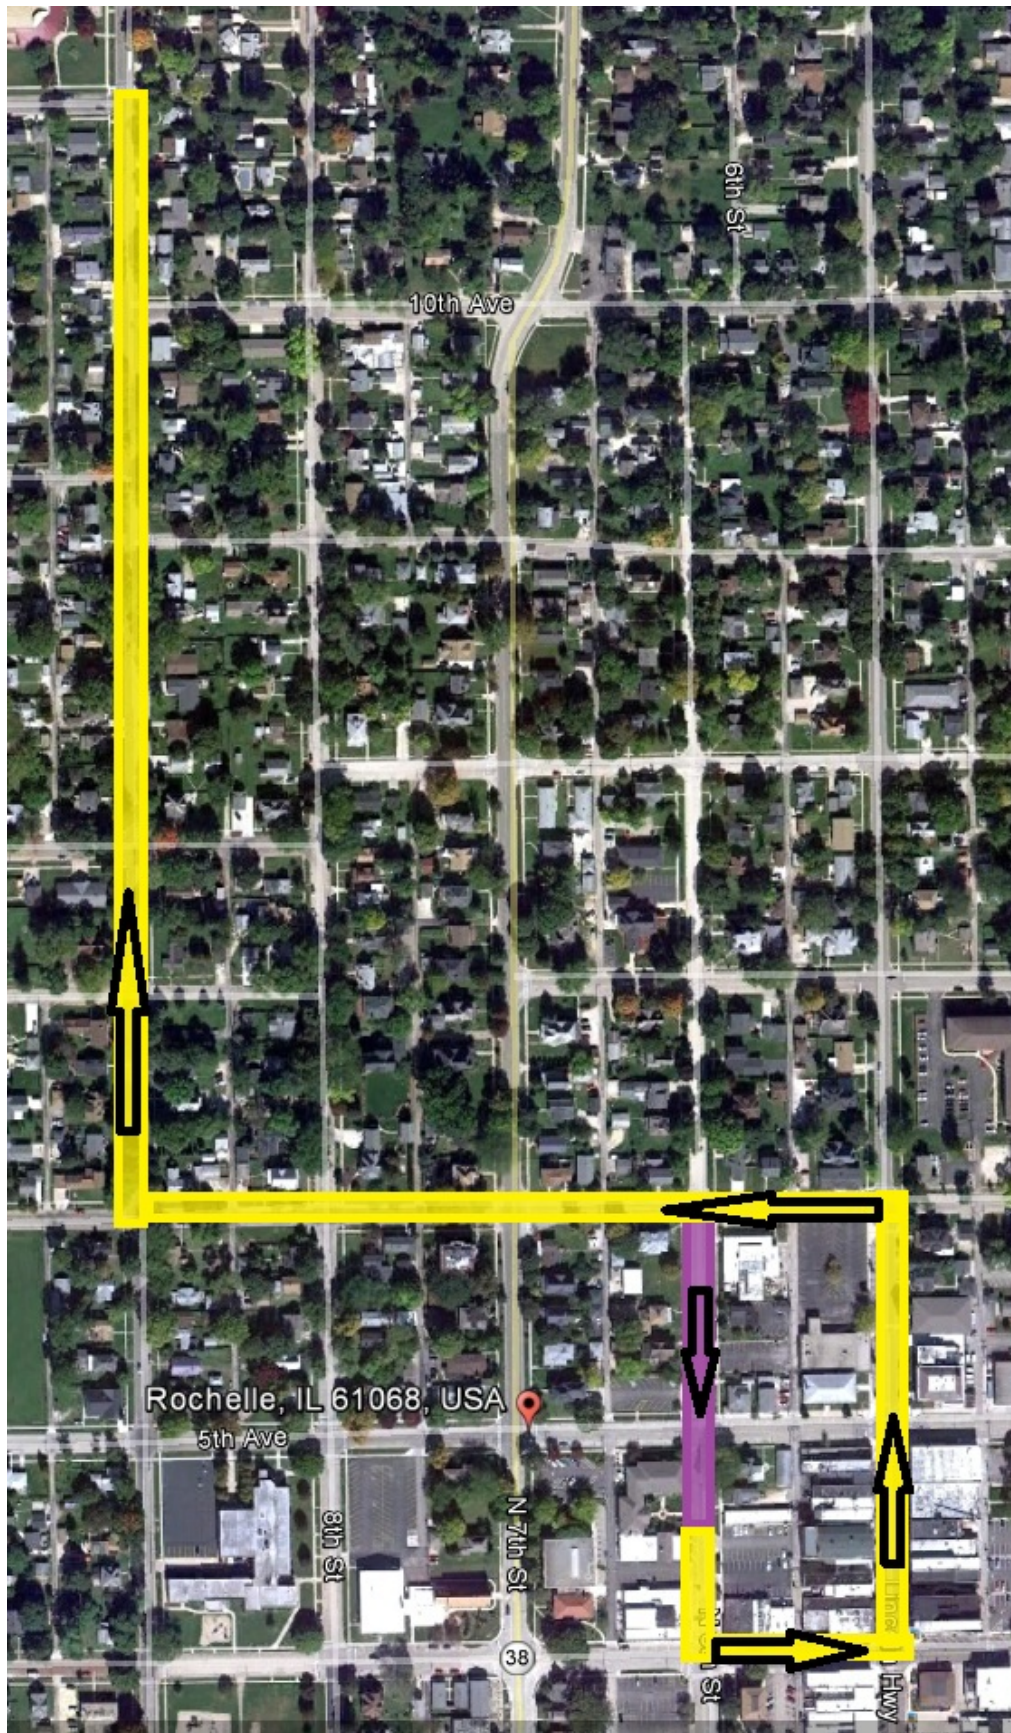

As I review Mr. McGuire's notes from Homecoming last year, I see that there was a new Homecoming Parade proposed and approved by the Rochelle City Council. I would like to continue to use the parade route that was implemented last year. The specific route is described in the list below. I have included a map with the highlighted path for easier understanding.

1. Start by City Hall
 - a. We will continue to use this as the staging area
2. South on 6th Street
3. East on 4th Ave
4. North on Lincoln Hwy
5. West on 6th Ave
6. North on 9th St
7. End at Tilton School / 10th Avenue
 - a. Parade ends & vehicles use 10th Avenue, 20th Street, and Flagg Road to return to RTHS Campus
 - b. If 20th Street construction is not complete, vehicles will use North 15th Street to Squires Landing to avoid intersection of 10th Avenue and 20th Street.

If you have any questions, please do not hesitate to give me a call. Thank you for your time and continuing to support Rochelle Township High School.

Sincerely,

Jason M. Harper
