Subject: Recommendation of Award of Bid

Dear Mr. Orlikowski:

On Thursday, September 26, 2013 the City opened bids for the Nippon Sharyo Development Project. The City received four bids, as follows:

	<u>Bid</u>
J. F. Electric, Inc.	\$205,746.74
William Charles Electric	\$290,543.00
MJ Electric	\$326,000.00
Utility Dynamics	\$340,000.00

The bid documents specified the Project must be completed within ninety (90) consecutive days after the Notice to Proceed is issued. All bidders met this requirement in their bids.

BHMG reviewed and analyzed the bids for completeness and ability to meet the specification requirements. The low bid from J.F Electric, Inc. meets all the requirements laid out in the bid documents. Based on the low bid and BHMG’s past positive experience with this contractor, BHMG recommends the City award the project to J.F Electric, Inc.

With the City’s approval and release, BHMG shall prepare the necessary contract documents for process and execution. If you have any questions concerning this recommendation, please do not hesitate to contact me.

Sincerely,  
**BHMG Engineers, Inc.**
