Re: EPA Brownfields Grant- Engineering Firm Selected

SUMMARY:

The City of Rochelle's Community Development Department invited interested parties to submit Statement of Qualifications (SOQ) to provide environmental and engineering consulting services to the City in support of its Brownfields Program. The City encouraged firms with documented experience in providing Brownfields-related consulting services associated with projects funded by the US Environmental Protection Agency (EPA) Brownfields Grants.

The review committee comprised of the City Manager, the Community Development Director and a City Council Member.

RECCOMENDATION:

The review committee is recommending Fehr Graham as the consulting firm to assist with the US Environmental Protection Agency (EPA) Brownfields City-Wide Assessment Grant.
