

We spoke with Chief Higby today regarding our car club, Midstates Jeepster Association having a weekend meet in Rochelle October 9, 10, and 11.

We will be visiting the museums and the downtown area of Rochelle on Friday, October 10th. Our request is to park approximately 30 cars in Parking lot 3. We would be arriving downtown at approximately 11:00 a.m. and remain there until probably 3:00 p.m.

We will be at the Comfort Inn and touring outside the downtown area the rest of the weekend.

The chief said we would need to have this request to reserve the parking lot brought up before the city council. Please address this for us.
