

Rochelle Township High School
EDUCATION FOUNDATION

P.O. BOX 479 • ROCHELLE, IL 61068

February 16, 2015

To The Rochelle City Council,

I am writing on behalf of the Rochelle Township High School Education Foundation, to seek approval of the City Council to host the 30 Men Who Cook event on Saturday, September 12, 2015 at the community hanger of the Rochelle Airport again this year. The 30 Men Who Cook event is an unique tasting experience where area "Celebrity Chefs" donate their time, culinary talents and unique recipes to provide an evening of enjoyment for guests. In conjunction with this request, the board would also like to seek the Council's approval to request a special use alcohol/liquor licenses for this event in order to served alcoholic beverages at the event.

The Foundation is an independent non-for profit, Tax-exempt Corporation organized as a method of providing a long term, self-sustaining financial program to enrich, enhance and supplement educational opportunities beyond limits of normal tax support for all students. The primary fundraiser is our 30 Men Who Cook event.

Sincerely,

Pam Draves
