Re: **City of Rochelle Municipal Airport Water Service Extension
Bid Summary and Recommendation**

Dear Mr. Keller,

Proposals for the Municipal Airport Water Service Extension project were received and opened today, February 9, 2015 at 10:00 am in Council Chambers at Rochelle City Hall. Three prime bidders obtained bid packages with one proposal being received for the opening.

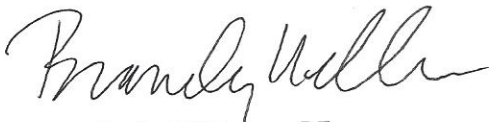

The proposal was submitted with the required bid forms and bid security. The proposal was reviewed for completeness and the total bid from the proposal was read aloud. A tabulation of the bid and a check of the unit prices and total was later verified in our office.

Martin & Company Excavating, 2456 East Pleasant Grove Road, P. O. Box 443, Oregon, IL 61061 submitted the low bid with a figure of \$99,222.16 as tabulated and read aloud for making the improvements. A Bid Tabulation is attached for your review.

As the low bid is less than the Engineer's Estimate, we recommend that the bid from Martin & Company Excavating for \$99,222.16 be accepted and the project advanced per the schedule outlined in the contract documents.

Please contact our office if you have any questions or need any additional information in regard to this recommendation.

Sincerely,

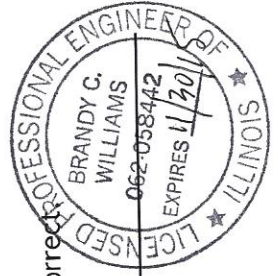

Brandy C. Williams, PE
Project Engineer
