Section 6. Certificate Details. If issued for the purpose of providing for the Project, there shall be issued and sold certificates of the City in the principal amount of not to exceed \$2,000,000, which shall be designated “General Obligation Debt Certificates (Limited Tax), Series 2015A” (the “*Certificates*”). The Certificates shall be dated such date (not prior to April 27, 2015, and not later than October 27, 2015) as set forth in the Certificate Notification (as hereinafter defined), and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each or authorized integral multiples thereof (but no single Certificate shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Certificates shall become due and payable serially or be subject to mandatory redemption (subject to prior redemption as hereinafter described) on June 1 of each of the years (not later than 2035), in the amounts (not exceeding \$180,000 per year) and bearing interest at the rates per annum (not exceeding 7.00% per annum) as set forth in the Certificate Notification. The Certificates shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Certificates is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semi-annually commencing with the first interest payment date as set forth in the Certificate Notification, and on June 1 and December 1 of each year thereafter to maturity.

Interest on each Certificate shall be paid by check or draft of The Bank of New York Mellon Trust Company, National Association, Chicago, Illinois (the “*Certificate Registrar*”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Certificate is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Certificates shall be payable in

lawful money of the United States of America at the principal corporate trust office of the Certificate Registrar.

The Certificates shall be signed by the manual or facsimile signature of the Mayor and shall be attested by the manual or facsimile signature of the Clerk, and the seal of the City shall be affixed thereto or printed thereon, and in case any officer whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Certificates shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Certificate Registrar as authenticating agent of the City and showing the date of authentication. No Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Certificate Registrar by manual signature, and such certificate of authentication upon any such Certificate shall be conclusive evidence that such Certificate has been authenticated and delivered under this Ordinance. The certificate of authentication on any Certificate shall be deemed to have been executed by the Certificate Registrar if signed by an authorized officer of the Certificate Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Certificates issued hereunder.

Section 7. Registration of Certificates; Persons Treated as Owners. (a) General. The City shall cause books (the “*Certificate Register*”) for the registration and for the transfer of the Certificates as provided in this Ordinance to be kept at the principal corporate trust office of the Certificate Registrar, which is hereby constituted and appointed the registrar of the City. The

City is authorized to prepare, and the Certificate Registrar shall keep custody of, multiple Certificate blanks executed by the City for use in the transfer and exchange of Certificates.

Upon surrender for transfer of any Certificate at the principal corporate trust office of the Certificate Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Certificate Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the City shall execute and the Certificate Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Certificate or Certificates of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Certificate or Certificates may be exchanged at said office of the Certificate Registrar for a like aggregate principal amount of Certificate or Certificates of the same maturity of other authorized denominations. The execution by the City of any fully registered Certificate shall constitute full and due authorization of such Certificate and the Certificate Registrar shall thereby be authorized to authenticate, date and deliver such Certificate, *provided, however*, the principal amount of outstanding Certificates of each maturity authenticated by the Certificate Registrar shall not exceed the authorized principal amount of Certificates for such maturity less previous retirements.

The Certificate Registrar shall not be required to transfer or exchange any Certificate during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Certificate and ending at the opening of business on such interest payment date, nor to transfer or exchange any Certificate after notice calling such Certificate for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Certificates.

The person in whose name any Certificate shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or

interest on any Certificate shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Certificate to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Certificates, but the City or the Certificate Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Certificates except in the case of the issuance of a Certificate or Certificates for the unredeemed portion of a Certificate surrendered for redemption.

(b) *Global Book-Entry System.* The Certificates shall be initially issued in the form of a separate single fully registered Certificate for each of the maturities of the Certificates determined as described in Section 6 hereof. Upon initial issuance, the ownership of each such Certificate shall be registered in the Certificate Register in the name of Cede & Co., or any successor thereto ("*Cede*"), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns ("*DTC*"). All of the outstanding Certificates shall be registered in the Certificate Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The Mayor, Clerk, Treasurer and the Certificate Registrar are each authorized to execute and deliver, on behalf of the City, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "*Representation Letter*"), which Representation Letter may provide for the payment of principal of or interest on the Certificates by wire transfer.

With respect to Certificates registered in the Certificate Register in the name of Cede, as nominee of DTC, the City and the Certificate Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Certificates from time to time as securities depository (each such broker-dealer, bank or other financial institution

being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the City and the Certificate Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Certificate as shown in the Certificate Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Certificate as shown in the Certificate Register, of any amount with respect to the principal of or interest on the Certificates. The City and the Certificate Registrar may treat and consider the person in whose name each Certificate is registered in the Certificate Register as the holder and absolute owner of such Certificate for the purpose of payment of principal and interest with respect to such Certificate, for the purpose of giving notices of redemption and other matters with respect to such Certificate, for the purpose of registering transfers with respect to such Certificate, and for all other purposes whatsoever. The Certificate Registrar shall pay all principal of and interest on the Certificates only to or upon the order of the respective registered owners of the Certificates, as shown in the Certificate Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to payment of the principal of and interest on the Certificates to the extent of the sum or sums so paid. No person other than a registered owner of a Certificate as shown in the Certificate Register, shall receive a Certificate evidencing the obligation of the City to make payments of principal and interest with respect to any Certificate. Upon delivery by DTC to the Certificate Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in

Section 6 hereof with respect to the payment of interest to the registered owners of Certificates at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name “Cede” in this Ordinance shall refer to such new nominee of DTC.

In the event that (i) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the City, the Certificate Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the City determines that it is in the best interests of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the City shall notify DTC and DTC Participants of the availability through DTC of certificated Certificates and the Certificates shall no longer be restricted to being registered in the Certificate Register in the name of Cede, as nominee of DTC. At that time, the City may determine that the Certificates shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the City, or such depository’s agent or designee, and if the City does not select such alternate universal book-entry system, then the Certificates may be registered in whatever name or names registered owners of Certificates transferring or exchanging Certificates shall designate, in accordance with the provisions of Section 7(a) hereof.

Notwithstanding any other provisions of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the name provided in the Representation Letter.

Section 8. Redemption. (a) Optional Redemption. All or a portion of the Certificates due on and after the date, if any, specified in the Certificate Notification, shall be subject to redemption prior to maturity at the option of the City from any available funds, as a whole or in

part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the City (less than all of the Certificates of a single series and maturity to be selected by the Certificate Registrar), on the date specified in the Certificate Notification, and on any date thereafter, at the redemption prices (expressed as a percentage of the principal amount redeemed and not to exceed 102%) plus accrued interest to the date fixed for redemption, if applicable, as set forth in the Certificate Notification.

(b) *Mandatory Redemption.* The Certificates maturing on the date or dates, if any, indicated in the Certificate Notification are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Certificate Registrar, at a redemption price of par plus accrued interest to the redemption date for the Certificates, on June 1 of the years, if any, and in the principal amounts, if any, as indicated in the Certificate Notification.

The principal amounts of Certificates to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Certificates credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Certificate Registrar may, and if directed by the Council shall, purchase Certificates required to be retired on such mandatory redemption date. Any such Certificates so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) *General.* The Certificates shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The City shall, at least forty-five (45) days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Certificate Registrar) notify the Certificate Registrar of such redemption date and of the principal amount and maturity or maturities of Certificates to be redeemed. For purposes of any redemption of less than all of

the outstanding Certificates of a single maturity, the particular Certificates or portions of Certificates to be redeemed shall be selected by lot by the Certificate Registrar from the Certificates of such maturity by such method of lottery as the Certificate Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Certificates or portions thereof so that any \$5,000 Certificate or \$5,000 portion of a Certificate shall be as likely to be called for redemption as any other such \$5,000 Certificate or \$5,000 portion. The Certificate Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Certificates to be redeemed or the time of the giving of official notice of redemption.

The Certificate Registrar shall promptly notify the City in writing of the Certificates or portions of Certificates selected for redemption and, in the case of any Certificate selected for partial redemption, the principal amount thereof to be redeemed.

Section 9. Redemption Procedure. Unless waived by any holder of Certificates to be redeemed, notice of the call for any such redemption shall be given by the Certificate Registrar on behalf of the City by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Certificate or Certificates to be redeemed at the address shown on the Certificate Register or at such other address as is furnished in writing by such registered owner to the Certificate Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Certificates are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Certificates to be redeemed,

(4) that on the redemption date the redemption price will become due and payable upon each such Certificate or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) the place where such Certificates are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Certificate Registrar, and

(6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Certificates to be redeemed at the option of the City shall have been received by the Certificate Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Certificate Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates, and the Certificate Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Certificates will not be redeemed. Otherwise, prior to any redemption date, the City shall deposit with the Certificate Registrar an amount of money sufficient to pay the redemption price of all the Certificates or portions of Certificates which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Certificates or portions of Certificates so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Certificates or portions of Certificates shall cease to bear interest. Upon surrender of such Certificates for redemption in accordance with said notice, such Certificates shall be paid by the Certificate Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon

surrender for any partial redemption of any Certificate, there shall be prepared for the registered holder a new Certificate or Certificates of the same maturity in the amount of the unpaid principal.

If any Certificate or portion of Certificate called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Certificate or portion of Certificate so called for redemption. All Certificates which have been redeemed shall be cancelled and destroyed by the Certificate Registrar and shall not be reissued.

Section 10. Form of Certificate. The Certificates shall be in substantially the following form; *provided, however,* that if the text of the Certificate is to be printed in its entirety on the front side of the Certificate, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall be omitted and paragraphs [6] through [11] shall be inserted immediately after paragraph [1]:

Section 11. Sale of Certificates. The Mayor, Clerk and Treasurer (the “*Designated Representatives*”) are hereby authorized to proceed not later than the 27th day of October, 2015, without any further authorization or direction from the Council, to sell the Certificates upon the terms as prescribed in this Ordinance. The Certificates hereby authorized shall be executed as in this Ordinance provided as soon after the delivery of the Certificate Notification as may be, and after authentication thereof by the Certificate Registrar, be delivered to Robert W. Baird & Co. Incorporated, Naperville, Illinois, the purchaser thereof (the “*Purchaser*”), upon receipt of the purchase price therefor, the same being not less than 98% of the principal amount of the Certificates (net of any original issue discount) plus accrued interest to date of delivery, if any, it being hereby found and determined that the sale of the Certificates to the Purchaser is in the best interests of the City and that no person holding any office of the City, either by election or appointment, is in any manner financially interested directly in his or her own name or indirectly

in the name of any other person, association, trust or corporation, in the sale of the Certificates to the Purchaser.

Prior to the sale of the Certificates, the Mayor or Treasurer is hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Certificates, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Certificates treating the fee paid as interest on the Certificates) is less than the present value of the interest reasonably expected to be saved on the Certificates over the term of the Certificates as a result of the Municipal Bond Insurance Policy.

Upon the sale of the Certificates, the Designated Representatives shall prepare a Notification of Sale of the Certificates, which shall include the pertinent details of sale as provided herein (the "*Certificate Notification*"). In the Certificate Notification, the Designated Representatives shall find and determine that the Certificates have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Certificates does not exceed the maximum rate otherwise authorized by applicable law. The Certificate Notification shall be entered into the records of the City and made available to the Council at the next regular meeting thereof; but such action shall be for information purposes only, and the Council shall have no right or authority at such time to approve or reject such sale as evidenced in the Certificate Notification.

Upon the sale of the Certificates, as evidenced by the execution and delivery of the Certificate Notification by the Designated Representatives, any officials of the City, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Certificates as may be necessary, including, without limitation, the contract for the sale of the Certificates between the City and the Purchaser (the "*Purchase*

Contract”). Prior to the execution and delivery of the Purchase Contract, the Designated Representatives shall find and determine that no person holding any office of the City, either by election or appointment, is in any manner financially interested directly in his or her own name or indirectly in the name of any other person, association, trust or corporation, in the Purchase Contract.

The use by the Purchaser of any Preliminary Official Statement and any final Official Statement relating to the Certificates (the “*Official Statement*”) is hereby ratified, approved and authorized; the execution and delivery of the Official Statement is hereby authorized; and the officers of the Council are hereby authorized to take any action as may be required on the part of the City to consummate the transactions contemplated by the Purchase Contract, this Ordinance, said Preliminary Official Statement, the Official Statement and the Certificates.

Section 12. Use of Certificate Proceeds. Accrued interest received on the delivery of the Certificates, if any, is hereby appropriated for the purpose of paying first interest due on the Certificates and is hereby ordered deposited into the “General Obligation Debt Certificate (Limited Tax) Fund of 2015A” (the “*Certificate Fund*”), which shall be the fund for the payment of the principal of and interest on the Certificates. Funds lawfully available for the purpose of paying the principal of and interest on the Certificates shall be deposited into the Certificate Fund and used solely and only for such purpose.

The principal proceeds of the Certificates and any premium received on the delivery of the Certificates are hereby appropriated to pay the costs of issuance of the Certificates and for the purpose of paying the cost of the Project, and that portion thereof not needed to pay such costs of issuance is hereby ordered deposited into the “2015A Project Fund of the City” (the “*Project Fund*”), hereby created. It is hereby found and determined and hereby declared and set forth that the Council (i) has not entered into an agreement of any kind with any entity, party or person

(including, but not limited to, the Purchaser) to not expend the proceeds of the Certificates deposited into the Project Fund for any period of time and (ii) is not required by any contract, decree, instrument, order, regulation or ruling, to not expend the proceeds of the Certificates deposited into the Project Fund for any period of time. Moneys in the Project Fund shall be used to pay costs of the Project in accordance with the following procedures:

1. Contracts (“*Work Contracts*”) have been or shall be awarded, from time to time, by the Council for the work on the Project; and the Council represents and covenants that each Work Contract has been or will be let in strict accordance with the applicable laws of the State of Illinois, and the rules and procedures of the City for same.

2. Pursuant to this Ordinance or subsequent ordinance or ordinances to be duly adopted, the Council shall identify all or a designated portion of each Work Contract to the Agreement. The Work Contracts attached hereto as *Exhibit 1* are hereby identified to the Agreement. This Ordinance, any such further ordinance and said Work Contracts shall be filed of record with the Clerk and the Treasurer. The adoption and filing of any such ordinance or ordinances and the Work Contracts with such officers shall constitute authority for the Treasurer to make disbursements from the Project Fund to pay amounts due under such Work Contracts from time to time, upon such further ordinances, resolutions, orders, vouchers, warrants, or other proceedings as are required under the applicable laws of the State of Illinois, and the rules and procedures of the City for same. No action need be taken by or with respect to the contractors under the Work Contracts as, pursuant to the Installment Purchase Provisions, the Treasurer acts as Nominee-Seller of the Project for all purposes, enabling the issuance of the Certificates.

Alternatively to the creation of the funds described above, the appropriate officers may allocate the funds to be deposited into the Certificate Fund or proceeds of the Certificates to one

or more related funds of the City already in existence and in accordance with good accounting practice; *provided, however*, that this shall not relieve such officers of the duty to account and invest such funds and the proceeds of the Certificates, as herein provided, as if the funds described above had in fact been created. At the time of the issuance of the Certificates, the costs of issuance of the Certificates may be paid by the Purchaser on behalf of the City from the proceeds of the Certificates.

Section 13. General Tax Covenants. The City hereby covenants that it will not take any action, omit to take any action, or permit the taking or omission of any action, within its control (including, without limitation, making or permitting, any use of the proceeds of the Certificates) if taking, permitting, or omitting to take such action would cause any of the Certificates to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the “Code”) or would otherwise cause the interest on the Certificates to be included in the gross income of the recipients thereof for federal income tax purposes. The City acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from federal income taxation for interest paid on the Certificates, under present rules, the City may be treated as the “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants, and assurances contained in certificates or agreements as may be prepared by counsel approving the Certificates; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or

advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the City in such compliance.

Section 14. Designation of Certificates. The Certificates will be issued as “bank qualified bonds” in an amount or amounts not to exceed \$10,000,000 per calendar year of issuance and are designated as “qualified tax-exempt obligations” for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 15. List of Certificateholders. The Certificate Registrar shall maintain a list of the names and addresses of the holders of all Certificates and upon any transfer shall add the name and address of the new Certificateholder and eliminate the name and address of the transferor Certificateholder.

Section 16. Duties of Certificate Registrar. If requested by the Certificate Registrar, the Mayor and the Clerk are authorized to execute the Certificate Registrar’s standard form of agreement between the City and the Certificate Registrar with respect to the obligations and duties of the Certificate Registrar hereunder which may include the following:

- (a) to act as certificate registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Certificateholders as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of Certificates as provided herein;
- (d) to cancel and/or destroy Certificates which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the City at least annually a certificate with respect to Certificates cancelled and/or destroyed; and
- (f) to furnish the City at least annually an audit confirmation of Certificates paid, Certificates outstanding and payments made with respect to interest on the Certificates.

Section 17. Continuing Disclosure Undertaking. The Mayor is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking is executed and delivered on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City and the officers, employees and agents of the City, and the officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Ordinance, the sole remedy for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Certificate to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

Section 18. Municipal Bond Insurance. In the event the payment of principal and interest on the Certificates is insured pursuant to a municipal bond insurance policy (the “*Municipal Bond Insurance Policy*”) issued by a bond insurer (the “*Bond Insurer*”), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the City and the Certificate Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Certificates, subrogation of the rights of the Certificateholders to the Bond Insurer upon payment of the Certificates by the Bond Insurer, amendment hereof, or other terms, as approved by the Mayor on advice of counsel, his or her approval to constitute full and complete acceptance by the City of such terms and provisions under authority of this Section.

Section 19. Record-Keeping Policy and Post-Issuance Compliance Matters. On August 25, 2014, the Council adopted a record-keeping policy (the “*Policy*”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the City, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the City or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Council and the City hereby reaffirm the Policy.

Section 20. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 21. Repeal. All ordinances, resolutions or parts thereof in conflict herewith be and the same are hereby repealed, and this Ordinance shall be in full force and effect forthwith upon its adoption.
