Mayor Olson, Council Members and Mr. Plyman,

My family and I would like to request permission to block off the city sidewalk and if possible 3 adjacent parking spots at the corner of Cherry Avenue and Main Street, south side by 400 Cherry Ave. This request is only for Saturday, August 29th from 12noon to 5:30pm.

My brother is getting married and we are hosting a wedding reception/open house for our family. We thought it would nice to be able to accommodate some outdoor seating. My uncle and aunt, Steve and Deana Bingham, are the property owners and are hosting the reception. We'll have the area all cleaned up and reopened by 5:30pm.

Thank you for this special consideration.

Christopher Powell
