Rochelle, Illinois 61068

**Re: City of Rochelle / Rochelle Fire Department
Roof Replacement
Bid Recommendation**

Dear Chief Johnson,

Proposals for the City of Rochelle / Rochelle Fire Department Roof Replacement were received and opened at 10:00 a.m., Thursday, September 03, 2015 at Rochelle City Hall. Two bidders submitted proposals for the opening.

A tabulation of the bids received is attached for your review. The low bid was received from Sterling Commercial Roofing, Inc., 2711 Locust Street, Sterling, IL 61081 for a lump sum bid of \$114,650.00.

Although the low bid is higher than your budgeted amount for this work, it is Fehr Graham's recommendation to award the work to Sterling Commercial Roofing, Inc. for the lump sum of \$114,650.00. I will review the work and, at your convenience, make recommendation(s) as to the work that can be changed by change order to bring the total value of the work completed more in line with your budgeted amount.

Please contact our office if you have any questions or need any additional information in regard to this recommendation.

Sincerely,

Brandy C. Williams, PE
Project Engineer
