Nathan Timm – Street Department Operator (Full-time)

Nathan Timm is a lifelong Rochelle resident and graduated from RTHS in 2006. Following graduation, he worked with the City of Rochelle Street Department as summer help before heading into the Marines. He served four years with the US Marine Corps and in that time completed two combat deployments. Upon his return, he worked as a Utility Groundsman with local 196 and with a municipal sanitary district. His experience and work ethic will be an asset to the City of Rochelle.

Please join me in welcoming Nathan Timm to the City of Rochelle.
