March 2, 2016

David Plyman  
City Manager  
City of Rochelle  
420 N. 6th  
Rochelle, IL 61068

Dear Mr. Plyman:

On Good Friday of this year, March 25, 2016, we would like have a procession for the Living Stations of the Cross, which would involve using some public roads. The procession would begin at 1:30pm at St. Patrick Catholic Church parking lot. We would leave our parking lot onto Kelley Dr. heading west. We would then follow Kelley Drive around to 7<sup>th</sup> Ave., turning east onto 7<sup>th</sup> Avenue. We would continue down on 7<sup>th</sup> Avenue and turn north onto Caron Rd. From that point, we would continue on Caron Rd to Kelley Drive again, and head back into the church parking lot. We would be stopping at specific intervals along the way to pray.

Because of the expected number of people in the procession, I am asking the city's permission to have the streets blocked during the procession. I expect the procession to take approximately an hour.

Thank you for your consideration. I look forward to your response.

Sincerely Yours in Christ,

Rev. Johnson Lopez  
Pastor
