Re: Closing 4th Ave. until 5:00 during school year

The purpose of this letter is to request that the gates on 4th Avenue remained closed until 5:00 during the school year.

We currently open the gates at 2:45 daily, shortly before dismissal. With the HUB Project lasting until 5:00, we would like to keep them closed until then to allow recess to take place at the park, as well as other additional outside activities.

For school purposes, we have parents who park there to pick their children up after school. We could inform them of a closure and also provide alternate parking areas.

Thank you for your consideration.

Sincerely,

Justin Adolph
