

**ROCHELLE CITY COUNCIL  
REGULAR MEETING 9/24/2018  
AGENDA ITEM NO. 7**

**SUBJECT: Resolution Authorizing the Execution of Fiber Optic Cable Lease Agreement with Zayo Group, LLC**

**Staff Contact:** Jason Bird

**Summary:** The fiber lease agreement with Zayo has expired. The proposed resolution authorizes the City Manager to sign a new Dark Fiber License Agreement with Zayo. One big difference between the two agreements is that Zayo will now be leasing two separate pairs of fiber from RMU (total of 4 fibers). Zayo will pay an additional \$750 per month to lease the extra fiber pair and a onetime charge of \$1,000 for the installation and splicing.

**Strategic Plan Goal Application:** Short Term Routine – Maintain Fiscal Stability & Balanced Budget by continuing to grow our communications service.

**Recommendation:** Approve a Resolution Authorizing the Execution of Fiber Optic Cable Lease Agreement with Zayo Group, LLC by the City Manager
