John Beck - Lawnridge Cemetery Lead Person

On March 3, 2011 John Beck began working with the City of Rochelle Street Department.

John has an extensive construction background that makes him knowledgeable in various areas of work performed by the Street Department. John has also taken a lead role in implementing GIS technology, improving efficiency in different areas of the department such as traffic signage and Cemetery operations.

During the past seven years of working with the Street Department John has always displayed respect and consideration to all citizens and has proven himself as a dedicated and valuable employee. John takes great pride in the work he performs and is always willing to learn and try new things to keep the Street Department moving forward.

With John's values, knowledge and work ethic the City of Rochelle is pleased to have John Beck fill the position of Cemetery Lead Person.
