Mayor Bearrows & the City Council:

In the interest of the community and the mission of the Flagg Township Museum, the museum would like to hold a free event – *Hobo Travels* – at the Ken Wise Rochelle Railroad Park on Saturday, October 26th from 7 to 8 pm as part of our Roads Well Traveled series this year.

The museum discussed this event earlier this year with Jenny Thompson from the city and we would like to proceed with further planning. We will provide a Certificate of Insurance as required.

With your permission we will work with the Railroad Park to plan the details of telling the story of Rochelle's Hobo Park and the travels of hoboes.

Thank you.
