

**INTRODUCTION OF NEW STAFF
ROCHELLE CITY COUNCIL
February 8, 2021**

Jessica Rogers –Full Time Accounting Generalist

It is my pleasure to introduce Jessica Rogers as our new Accounting Generalist. Jessica is a lifelong resident of Rochelle and is proud to now be working in the community. She started her position on February 1st and has jumped right in to learning her new job. She comes to us from Creative Therapeutics where she has worked in the patient accounting office for 14 ½ years. She also has held the position of treasurer at the Faith Lutheran Church for 5 years. Jessica is a proud graduate of Drake University where she completed her Bachelor's Degree in Accounting. Her knowledge of accounting, accounts payable, and accounts receivable make her an excellent fit for the City of Rochelle. I'm very excited to have Jessica on my team.
