BUSINESS ITEMS:

- 1) Retention of Hearing Officer (Landfill Application)
- 2) Retention of Environmental Consultant (Landfill Application)
- 3) Date for Landfill Hearing

An application for expansion of the Rochelle City Landfill was filed on Monday, October 16, 2006. The application calls for an expanded landfill allowing for receipt of up to 1,000 tons of solid waste per day, and an increased useful life of approximately 23 years. Section 78-73 of the City's Local Siting Ordinance provides that the City Council shall select by a majority vote a hearing officer to conduct the public hearing. Section 78-74(b)(2) provides that the City Council may retain a consultant to review the siting application. City Council's special environmental counsel, Don Moran, recommends that the City Council select John McCarthy of Canton as hearing officer. He also recommends that the City Council retain Patrick Engineering, Inc. of Lisle as its consultant to review the site location application. Per Attorney Moran "both Mr. McCarthy and Patrick Engineering have substantial experience in the local siting process". Don Moran was present to answer any questions. Moved by Councilman Eckhardt and seconded by Councilman Berg, "I move the City Council approve the selection of John J. McCarthy as hearing officer for the public hearings to be held concerning the local siting application filed October 16, 2006, to expand the Rochelle Municipal Landfill No. 2." Roll call vote was taken. Ayes: Councilmembers Hayden, Hayes, Eckhardt, Berg and Colwill. Nays: None. Motion passed 5-0.

Moved by Councilman Berg and seconded by Councilman Hayden, "I move the City Council approve the retention of Patrick Engineering, Inc. as consultant to review the local siting application filed October 16, 2006, to expand the Rochelle Municipal Landfill No. 2, and authorize special environmental counsel Donald J. Moran to contract with Patrick Engineering, Inc. for that purpose." Roll call vote was taken. Ayes: Councilmembers Hayden, Hayes, Eckhardt, Berg and Colwill. Nays: None. Motion passed 5-0.

Moved by Councilman Eckhardt and seconded by Councilman Berg, "I move that Council set the Landfill Hearing Date as January 22, 2007 as the first day and continuing day to day until hearing is complete, for the application filed October 16, 2006, to expand the Rochelle Municipal Landfill No. 2." Roll call vote was taken. Ayes: Councilmembers Hayden, Hayes, Eckhardt, Berg and Colwill. Nays: None. Motion passed 5-0.

- 4) Ordinance Authorizing Execution of Power Sales Agreement and Restated Amended Project Committee Agreement (Prairie State Project). On January 25, 2005 the City Council approved Ordinance 05-3291 declaring its intent to purchase from NIMPA (Northern Illinois Municipal Power Agency) an Entitlement Share of the reliable, low cost and environmentally safe power and energy that will be produced by the 1620 megawatt coal fired generation facility known as the Prairie State Project. Subsequent to the Authorizing Ordinance the City has authorized payments to NIMPA for development costs related to the Prairie State Project. All essential regulatory approvals for the Prairie State Project have now been obtained. In order for the City to purchase its Entitlement Share a Power Sales Agreement (PSA) is required with NIMPA. The execution of the City's PSA, along with other NIMPA members, will assist NIMPA in developing and implementing a plan to finance its ownership interest in the Prairie State Project as well as provide for the collection of development costs prior to NIMPA's issuance of bonds to finance its ownership interest in the Prairie State Project. The City Manager reviewed several of the articles with the Council. The project should be completed late 2010-2011 for units to be on line. Ice Miller is the bond company. Moved by Councilman Berg and seconded by Councilman Hayden, "I move that Ordinance 06-3488, an Ordinance Authorizing Execution of Power Sales Agreement and Restated and Amended Project Committee Agreement in Order to Obtain Power and Energy Associated with the Prairie State Project, be approved." Roll call vote was taken. Ayes: Councilmembers Hayden, Hayes, Eckhardt, Berg and Colwill. Nays: None. Motion passed 5-0.
- 5) Ordinance Authorizing Sale of Municipally Owned Real Property (518 N Main St). The City of Rochelle owns a 7,177.5 square foot lot located north of the Fire Department Museum at 518 N. Main Street. At the October 10th City Council Meeting the City Council passed a resolution which authorized staff to sell a 58' x 123.75' vacant lot located at 518 N Main Street. The resolution required a minimum purchase price of no less than 80% of the appraised value with the Buyer to reimburse the City for the cost of the appraisal. The appraised value was determined to be \$35,000.00 and the cost of the appraisal was \$560.00 resulting in a minimum purchase price of \$28,560.00. The resolution was published in the News Leader on October 15, as required. Subsequent to the October 10th meeting two offers have been received and are as follows:

Wayne Reed \$36,000.00Thomas I. Simmons \$40,000.00

Wayne Reed indicated that this was his final offer and that he has no intentions of doing anything with the vacant lot in the near future. Tom Simmons would like to purchase the vacant lot to facilitate parking for the expansion of the building located at 515 Lincoln Highway. Councilman Berg stated that he was of the impression that the information should have been published three consecutive weeks in our local newspaper. Council decided to set this ordinance aside until this is clarified.

6) Audit Report Fiscal Year 2005/2006. The City Council retained Virchow, Krause and Co. LLP to perform an audit for the fiscal year ending April 30, 2006. The engagement of the Virchow, Krause and Company firm was for the sole purpose of performing an audit of the financial statements for the City, including all the City Enterprise funds. The comprehensive financial statements include financial activities of all funds, but separate statements were also prepared for RMU and the Police and Fire Pension Board. The audit contract did not include any analysis of the adequacy of operating revenues and thus does not address recommendations for eliminating the drain on previously accumulated cash reserves. The auditor's opinion, as noted on page i of the Audit Report, indicates that the City's financial statements for the year ending April 2006 presented fairly, in all material respects, the financial position of the City and that its operations and cash flows are in conformance with generally accepted accounting principles. Heather Acker, CPA, Senior Manager of the Virchow, Krause audit team was present and presented the 2006 Audit Report and answered any questions. Moved by Councilman Berg and seconded by Councilman Hayden, "I move that the Council accept and place on file the Audit Report (06-3489) for FY 2005/2006 as prepared and presented by Vichow Krause & Company." Roll call vote was taken. Ayes: Councilmembers Hayden, Hayes, Eckhardt, Berg and Colwill. Nays: None. Motion passed 5-0.

7) City Manager's Report:

- Rochelle & Ogle-Lee Fire Departments 3rd Quarter Report Chief Tom McDermott reported that from January-September 2006, the Rochelle Fire Department responded to 1,440 calls for assistance; 343 were fire related and 1,097 were medical calls. During the same period the Ogle-Lee Fire District responded to 253 calls for assistance; 131 were fire related and 122 were medical in nature. Detailed statistics was prepared by Chief McDermott and provided to the Mayor and Council Members. Moved by Councilman Eckhardt and seconded by Councilman Hayden, "I move the Council accept and place on file the 3rd quarter report (06-3490) of activities of the Rochelle and Ogle-Lee Fire Departments for the year 2006." Motion passed by voice vote without dissent.
- <u>927 N 7th Street</u> The property at 927 N 7th Street has been evaluated in terms of appropriate use by Community Development Director, Chris Limas. Mr. Limas is recommending that the property (currently zoned R-3) be rezoned R-O (Residential Office) which will allow residential as well as limited commercial activity. It has been proposed that there be a 35 foot setback for this site. This will be put on the next Plan Commission agenda for their review and recommendation.
