**Re: Asbestos Removal - Ninth Street and Peaker Facilities**

---

As part of the RICE NESHAP project, we will have to remove the piping to the exhaust piping system.

On August 30, 2012 at 11:00 AM at the Rochelle City Council chambers, we opened seven (7) bids and they were RAMSCO for \$19,050.00, Midwest Services Group for \$49,950.00, Holian Asbestos for \$86,085.00, Midway Contracting Group, LLC for \$89,400.00, DEM Services Inc. for \$100,000.00 and Abatement Specialties LLC for \$114,200.00.

The review and analysis of the bids was done by Willette & Hoffman and myself and found that all bidders met the bid specifications.

I recommend that we award the Asbestos Removal award for the Ninth Street and Peaker Plant to RAMSCO for \$19,050.00.

In the 2012/ 2013 capital budget, we budgeted \$47,750.00 for this project.
