

Administrative Committee Minutes of Friday, May 4, 2012

Council Persons Present: Kathy Hollonbeck, Ed Rice, Dave Eckhardt, Chairman

This meeting was called based on a recommendation from the Incentive Group to attempt to provide some much needed help to the Ogle County Civic Center Authority with the Park District stepping away from that facility. Nitesh Singh from the Comfort Inn & Suites was invited to discuss some of their plans for the facility. The committee decided to recommend to the council a monthly check for \$3000 which would be given to OCCCA to help with operating cost of the facility. This will be recommended for one year but monitored on an ongoing basis and reviewed at the end of the year. Dave suggested that these funds would come out of the Hotel/Motel Tax funds that the city receives. The vote on this by the committee was 2-0 with Mr. Rice not yet sure of his feeling on this.
