**SUBJECT: Case PZC-14-12 Comprehensive Plan Amendment – Bicycle
Transportation Plan**

In the Spring of this year the City of Rochelle formed a Bike Plan Steering Committee to explore the possibility of developing a Bicycle Transportation Plan. The City hired Ed Barsotti who is the Executive Director of the League of Illinois Bicyclists who has developed plans for many municipalities as a consultant. The Committee had several meetings, held a public input meeting for which a draft of the plan was developed.

A draft of the plan and related language that would be incorporated into the 2009 Comprehensive Plan Update was reviewed by the Planning and Zoning Commission on October 2, 2012 at a public hearing.

Recommendation

The Planning and Zoning Commission reviewed the Bicycle Transportation Plan and related Comprehensive Plan language and voted to recommend approval.
