

## **Administrative Committee Minutes of Thursday, August 2, 2012**

Council Persons Present: Ed Rice , Kathy Hollonbeck, Dave Eckhardt, Chairman

We approved the minutes of the July 12th 2012 meeting. Bruce presented the telecommunication tax issue to the group. We have 2 opportunities a year to adjust this tax. Ed and Kathy are not in favor of increasing this with Dave being in favor of it for budgetary reasons. It will be forwarded to the full council. Next Bruce presented the opportunity to increase the elected official's compensation which needs to be voted on prior to the next election. It was the consensus of the committee to recommend no increase in pay. Dave spent a few minutes talking about a subgroup which was meeting on this issue and their feeling is to just leave everything as it is. Dave will report back if there is anything to bring up. Meeting was adjourned.
