

City of Rochelle Police Department

Memo

To: City Manager Plyman
From: Chief Eric Higby
Date: 122911
Re: Towing Ordinance Modification

Changes need to be made to our current ordinance (11-4032) that deal with our administrative towing procedures. Pursuant to House Bill 1220/Public Act 97-0109, we have made some minor modifications to our ordinance. The two main changes are that the presiding hearing officer must be an attorney, and the process in which tow bills are collected must also be altered. Instead of our department taking all of the fines and issuing a check back to the wrecker service, they will be paid directly.

For your convenience I have highlighted the changes in red. I am available to discuss the ordinance if questions arise.
