RE: 2011 Kiwanis Peanut Day

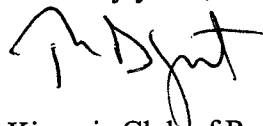

Dear Mr. Plyman:

On September 9, 2011, the Kiwanis Club of Rochelle and the Rochelle Golden K Club will once again be holding its annual Kiwanis Peanut Day. Members from both clubs will be selling peanuts that day in order to raise money for various local organizations and activities.

We plan to sell peanuts at the intersection of Lincoln Highway and Fourth Avenue, at the intersection of South Main Street and First Avenue, and possibly at the intersection of Lincoln Highway and Fifth Avenue with the city's permission. If this is not possible, would you please notify me at your earliest convenience.

Thank you for your assistance and cooperation in this matter.

Sincerely yours,

Kiwanis Club of Rochelle
