**Re:** Land Acquisition Services (Amendment 2)

---

The City of Rochelle entered into an agreement dated September 24, 2008 with Hanson Professional Services Inc. for land acquisition services, as amended providing for a not-to-exceed amount of \$79,780.00. Due to the addition of a third parcel of property, Exhibit A update, survey and plat preparation, drainage engineering and negotiating for Rochelle Municipal Airport additional services were required to finalize the property purchase.

The requirement for additional services provided by Hanson Professional Services Inc. has been reviewed by IDOT Division of Aeronautics as an eligible expense to be considered for reimbursement for property acquisition and associated services. Once all purchase documents have been recorded we will submit all expenses for consideration of reimbursement based on the current level of 90% Federal, 5% State and 5% local share funding.

Please consider approval of a new not-to-exceed amount of \$89,469.91 with Hanson Professional Services Inc. for completed Land Acquisition Services.
