Austin Gillis – Water Operator (Full-time)

Austin Gillis joined the RMU team on February 9th of 2015 as a water system operator. He is a graduate of Rochelle Township High School and also attended Kishwaukee College. He started working for the Village of Ashton helping the water and sewer department and has closely related experience in other fields since then. Austin is a native to Rochelle, has a wife and child with one on the way. He spends most of his free time with family or activities like golfing, at the gun range or fishing.

Please join me in welcoming Austin Gillis to the City of Rochelle.
