

City of Rochelle

Engineering Department

Memo

To: Dave Plyman, City Manager
CC: Tim Isley, Supt. of Street Division
Chris Cardott, Finance Manager
Alan Cooper, City Attorney (via council packet)
From: Sam Tesreau, City Engineer
Date: June 12, 2015
Re: 2015/16 City of Rochelle Sidewalk Project – Bid results
Encl: (1) Bid opening results sheet
(2) Exhibit A - sidewalk replacement locations

- 1) The above referenced project was advertised in the Rochelle Newsleader. Bids were publicly opened and read aloud on June 11, 2015 at 10 am for the above referenced project. Three separate bids were received as follows:
 - Campos Construction, Inc. submitted a total base bid for entire improvements of \$140,014.50
 - O'Brien Civil Works, Inc. submitted a total base bid for entire improvements of \$189,032.00
 - Elliott and Wood, Inc. submitted a total base bid for entire improvements of \$220,237.75

- 2) The low bid, as received by Campos Construction, Inc. was approximately 5% higher than estimated costs for the annual sidewalk maintenance project. The City will purchase the detectable warning plates for use on the sidewalk accessibility ramps. The 2015/16 City of Rochelle Sidewalk project is being funded through the Capital Improvements Fund No. 36-00-86500 Sidewalk/Pedestrian paths - Annual Program. A portion of this project will complete the updated accessible route from the newly constructed School Ave bridge to Caron Rd as well as extend new sidewalk, from School Ave, south along the east side of Caron Rd for nearly 600 feet. In addition, sidewalk replacement and accessible path updates will begin along the north side of Irene Ave, at Gary Street, and extend nearly 1,000 feet east. Should council approve the project then a Notice of Award and agreement will be issued to the contractor. The NOA and agreement will be subject to the contract documents and information to be submitted by the contractor including, but not limited to, the performance surety and certificates of insurance.

- 3) Please consider acceptance of the low bid as received and award of the 2015/16 City of Rochelle Sidewalk Project contract to Campos Construction, Inc. and reject all other bids received.
