

July 7, 2015

Mr. Sam Tesreau, City Engineer
City of Rochelle
420 N. 6th Street
Rochelle, Illinois 61068

**Re: IL Route 38 and Lincoln Highway Signal Modification - Sidewalk Section
Section 15-00114-01-SW
Bid Summary and Award**

Dear Mr. Tesreau,

Proposals for the sidewalk section of the signal modification project located at IL Route 38 and Lincoln Highway were received and opened on June 22, 2015 at 10:00 a.m. in the Council Chambers at Rochelle City Hall. Three proposals were received.

The proposals were submitted with the required bid forms and bid security. All proposals were reviewed for completeness and the total bid from each proposal was read aloud. A tabulation of all bids and a check of the unit prices and totals were later verified in our office. No irregularities or miscalculations were found.

Three proposals were received as follows:

<u>Contractor</u>	<u>Total Bid</u>
Elliott & Wood, Inc., DeKalb, IL	\$127,905.20
Sjostrom & Sons, Inc., Rockford, IL	\$ 87,850.00
O'Brien Civil Works, Inc., Polo, IL	\$ 52,400.65

The Engineer's Estimate was \$50,097.00. We recommend that the City award this contract to O'Brien Civil Works, Inc., 7495 Judson Road, Polo, Illinois 61064 for their Total Bid of \$52,400.65 which is 4.6% above the engineer's estimate.

A Bid Tabulation is attached for your review. Please contact our office if you have any questions or need any additional information in regard to this recommendation.

Sincerely,

Shawn L. Ortgiesen, PE
Project Manager
