Matt Boehle – Water Reclamation Operator (Full-time)

Matt Boehle joined the RMU team on July 25th as a water reclamation operator. He is a graduate of Ashton High School. Matt started working for the Village of Ashton helping the water and sewer department and was working under my direction at the time. Since then he has worked in Rochelle and currently resides in Ashton where he was raised.

Please join me in welcoming Matt Boehle to the City of Rochelle.
