Dear City Council,

We are requesting the street in front of the shop be closed for the 2017 Outdoor Market season.

The requested closure is the last Saturday of the month, June-September. The specific location is 10th Ave, between 8th Street and 251. (June 24, July 29, August 26 and September 30)

In the past 4 years we have talked with both the Fire Dept. and the Police Dept. and neither had concerns with the closure.

The street closure allows 35 local vendors to set up and sell their handmade items. Over the years, the markets have been well attended. They are a great place for the community to come together to shop for local bounty and visit.

Thank you for your help in making our 5th year of markets successful.
