We are requesting the street in front of the shop be closed for the 2018 Outdoor Market season. The requested closure is the last Saturday of the month, June-September. The specific location is 10th Ave, between 8th St and 25th. (June 30, July 28, August 25 and September 29)

In the past 5 years, we have talked with both the Fire Department and the Police Department and neither had concerns with the closure.

The street closure allows 40 local vendors to set up and sell their handmade items. Over the years, the markets are well attended. The markets are a great place for the community to come together to shop for local bounty and visit.

Thank you for your help in making our 6th year of markets a success.
