Sub: LMK Technologies Cured-In-Place Sanitary Sewer Manhole Lining

Dear Adam,

Thank you for the opportunity to provide you our quotation to rehabilitate (15) fifteen sanitary sewer manholes for the city of Rochelle using our Cured-In-Place lining system. Below are the manhole numbers (as marked in spray paint on 4-25) the locations of each manhole and corresponding city numbers. These manholes were inspected on April 25th, 2018 with your crew member.

Manhole #1 (city #8.03) located at South Main Street & Avenue C: This manhole is constructed of brick, approximately 48" in diameter x 9'-4" deep with (3) three 8" main lines. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (3) 8" main lines is: **\$3,845.00.**

Manhole #2 (city #8.04) located at Avenue C & South 3rd Street: This manhole is constructed of brick, approximately 5' in diameter x 6'-10" with (3) three 8" main lines. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (3) 8" mains is: **\$3,080.00**

Manhole #3 (city #8.06) located at South Oak Street: This manhole is constructed of brick, approximately 48" in diameter x 3' deep with (2) two 8" main lines. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (2) two 8" main lines is: **\$2,055.00**

Manhole #4 (city #8.10) located at Avenue D & South 2nd Street: This manhole is constructed of brick, approximately 48" in diameter x 9'-10" deep with (2) two 8" mains. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (2) two mains is: **\$4,185.00.**

Manhole #5 (city # 8.17) located at South 2nd & Avenue E: This manhole is constructed of brick approximately 48" in diameter x 11'-2" with (3) three 8" mains. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (3) three mains is: **\$4,750.00.**

Manhole # 6 (city #8.28) located at 540 South 3rd Street: This manhole is constructed of brick approximately 48" in diameter with (2) two 8" mains. Our price to rehabilitate this manhole, including manhole bench and re-instatement of (2) two mains is: **\$4,060.00.**

Manhole #7 (city #9.24) located at 2nd Street & 7th Avenue: This manhole is constructed of brick approximately 36" in diameter x 3' deep with (2) two 8" mains. Our price to rehabilitate this manhole including manhole bench and reinstatement of (2) two mains is: **\$2,055.00.**
