Dear City Council,

We are requesting the street in front of the shop be closed for the 2019 Outdoor Market season.

The requested closure dates are 4 Saturdays of the summer, June-September. The specific location is 10<sup>th</sup> Ave, between 8<sup>th</sup> Street and 251. (June 29, July 27, August 24 and September 28)

Over the past years we have talked with both the Fire Dept. and the Police Dept. and neither had concerns with the closure.

The street closure allows 35 local vendors to set up and sell their handmade items. Over the years, the markets have been well attended. They are a great place for the community to come together to shop for local bounty and visit.

Thank you for your help in making our annual markets successful.
