- 1) The minutes from the September 24, 2018 meeting were approved 3-0.
- 2) Public Comments: None
- 3) Financial Report: Our operating cash balance as of October 31<sup>st</sup> was \$13,055.13. A motion to approve this report was made by Bob and seconded by Dennis Stewart and the motion carried 3-0.
- 4) Golf Course Superintendent Report – Mitch Hamilton: At the close of the golf season we had 9811 rounds of golf played. This compares with 11,202 rounds in 2017. This reduction is directly related to the extremely rainy weather that occurred this year. We managed to keep our expenses down which reflected in our overall financial status. We will be working on ideas to enhance play in 2019. This includes, but is not limited to, more focused marketing, different events, working with SALT 251 for collaboration on events, and working with any Park District ideas. We are in clean-up mode on the course for the winter. We have reworked the area around #16 green, have removed 3 downed trees for disposal, will be doing some work on #14 tee in conjunction with the city work on the drainage issue along the south side of our property, trimming trees, and reworking the front bunker on hole #2.
- 5) Committee Member Reports/Concerns: We will be bringing ideas for 2019 golf course play for the next meeting.
- 6) Business Items: None
- 7) Next meeting will be on Monday, February 25, 2019 at 3:30 PM at the Golf Pro Shop. We will not have a meeting in January 2019.
- 8) A motion was made to adjourn by Bob and seconded by Dennis S. and the motion carried 3-0. The meeting was adjourned at 4:05 PM.
