- 1) The minutes from the December 3, 2018 meeting were approved by voice vote.
- 2) Public Comments: None
- 3) Financial Report: We ended our fiscal year ending 12/31/2018 with a positive balance of \$12,648.63. January 31, 2019 balance is (\$2575.36). This does not include the early 2019 early season passes received of \$13,334. Mitch will make sure Chris transfers this to our account for this fiscal year. A motion to approve this report was made by Bob and seconded by Dennis S. and passed 3-0.
- 4) Golf Course Superintendent Report—Mitch Hamilton: Mitch provided the following information. Pro Shop—New LED lighting will be installed in the Pro Shop and outside. The cart barn will have all wiring redone and also LED lighting. This year is the 90th anniversary of the golf course. To celebrate we will be offering on Mondays only, \$9 for 18 holes and \$9 for 18 hole cart fee all year. Starting in April we will offer a \$100 discount for new pass holders if they have not had a pass for the last two years. We will have four returning employees with on new one. Denny Stewart will be working on different events this year to enhance play. This includes partnering with SALT 251 for a once a month steak fry. Golf Course: We will start trimming trees before the ground thaws. We have 5 dead trees that Mr. Hayes will remove at his cost for the wood. Due to the extreme weather the past few months, the course will require a lot of clean-up in the spring. Our players will be reminded to have some patience while we clean this up.
- 5) Business Items: None
- 6) Committee Member Reports/Concerns: As mentioned above Denny Stewart will be helping the Pro Shop set up different events to give our players some value to their golfing experience.
- 7) Our next meeting will be on Monday, March 18, 2019 at 3:30 PM at SALT 251. This date had to be changed from our original date of March 25 due to several conflicts.
- 8) The meeting was adjourned at 4:00 PM by voice vote
