Re: Overweight Fine Distribution

Dear Ms. Stahl:

Pursuant to our previous conversation please accept this letter as verification that I concur with the opinion of Rochelle City Attorney Brent Wagner, regarding the distribution of overweight fines for cases prosecuted by the City of Rochelle as contained in City Attorney Wagner's email communication dated April 18, 2017. If you have any questions or concerns regarding the above, please don't hesitate to contact me.

Very truly yours,
