Rochelle Mayor, Council and City Manager

We are asking permission to hold our annual Peanut Days in Rochelle on Friday, September 6th and Saturday, September 7th 2019.

On those days, from 8am through 6pm, our members will be at intersections in the downtown area as well as at several businesses distributing peanuts and asking for donations which will be used to support Rochelle youth activities.

Please contact me with any concerns you may have.

Sincerely

William Paulin
