Horner Map.jpg;

Sue,

[I am requesting a street closure for an Auction of the Pete Unger Horner Estate auction to be held September 28th on site at 527 Lincoln Hwy., in Rochelle.](#) Due to the quantity of household and collectables, and lack of yard space, we are requesting closure of 6th Ave. from the West side of the alley between Lincoln Hwy & Main Street, to Lincoln Hwy.

This closure would not hinder access to the Post office alley, as well as the alley access for the State Farm Office via the alley entering it from Main Street. The closure time would be approx. from 7AM to 4PM. I will also provide an insurance binder naming the City of Rochelle as additional insured. Bearrows auction will provide all cones to block this area, thus not requiring any City Street Dept. staff to place barricades, unless that is something required by the City

I thank you in advance for the City's help. I also have attached a picture of the closure area. Please advise me of any questions you may have.

Respectfully submitted,

John Bearrows
