

8/21/2019

Dear Mayor & Council,

The 2019 Hay Day Committee respectfully requests the closure of several streets and parking lots on Saturday October 12th for our Annual Hay Day Fall Festival. The Festival takes place from 11am-5pm and we anticipate setup to take approximately two hours and cleanup to take approximately one hour.

The event features family-friendly entertainment including food vendors, crafters, live music, a Halloween costume parade pumpkin decorating contest, petting zoo and so much more.

We request the closure of the following areas:

- Lincoln Highway from Cherry Avenue to 5th Avenue
- 4th Avenue from 6th Street to Main Street
- The four City parking lots on Main Street between 4th & 5th Avenues

Thank you!

2019 Hay Day Planning Committee
