ENGINEERING & ENVIRONMENTAL

November 15, 2019

Mr. Adam Lanning, Superintendent of Water & Water Reclamation  
Rochelle Municipal Utilities  
333 Lincoln Highway  
P. O. Box 456  
Rochelle, IL 61068

**Re: Well #4 Televising and Rehabilitation  
Letter of Recommendation**

Dear Mr. Lanning,

In compliance with the Bid Solicitation for the above-referenced project, bid packages were available through QuestCDN.com and our office with bids due by 11:30 a.m., Thursday, November 14, 2019. Thirteen companies held bid packages, seven of which were identified as prime bidders, and four bids were received for the opening at City Hall.

Our office has completed a review of the bids submitted and the low bid was submitted by Cahoy Pump Service, 202 W. Howard St., Durand, IL 61024 with the necessary forms included in their submittal. A summary of the bid results is as follows:

| ENGINEER'S ESTIMATE | Cahoy Pump Service | Layne Christensen Company | Midwest Well Services | Water Well Solutions Service Group, Inc. |
|---------------------|--------------------|---------------------------|-----------------------|--|
| \$166,000.00        | \$135,129.00       | \$330,400.00              | \$179,390.00          | \$148,132.00                             |

The above costs include allowances for the casing pipe repairs and pump repairs. The low bid submitted by Cahoy Pump Service is approximately 19% lower than the Engineer's Estimate. A bid tabulation is enclosed for your review.

Fehr Graham recommends award of the Well #4 Televising and Rehabilitation project to Cahoy Pump Service for \$135,129.00.

Fehr Graham can proceed with preparing the contract documents should you decide to move forward with this work. Thank you for the opportunity to provide you with professional services. Should you need anything further, please contact our office anytime.

Sincerely,

  
Jason T. Stoll, PE  
Branch Manager
