Amendment to Intergovernmental Agreement – REVISED EXHIBIT A

May 21, 2020

Honorable John Bearrows
Mayor of Rochelle
420 North Sixth Street
Rochelle, Illinois 61068

Dear Mayor Bearrows:

This letter is to update the traffic signal maintenance responsibilities shared between the City and the Department. This change is made necessary by the installation of new traffic signals at the intersection of IL 251 with Steward Road. Since final acceptance of the new traffic signals, the City has been administering maintenance. The Department will reimburse 67% of typical signal maintenance and electrical energy costs at this location.

We are enclosing three copies of an Amendment to the Intergovernmental Agreement for Maintenance of Traffic Control Devices, along with a revised Exhibit A.

Please have all three (3) copies of the Amendment executed by the City and returned to our office for final processing and execution by IDOT.

If there are any questions on this document, please contact Scott Kullerstrand, in our Bureau of Operations, at 815-284-5468.

Sincerely,

Masood Ahmad, P.E.
Region Two Engineer
