

June 14th, 2020

Dear Rochelle City Council,

I am set to be married on July the 4th, 2020. Due to Covid-19, our venue plans have changed and I was hoping to get the blessing of the council to utilize the Gazebo downtown for our ceremony. I understand that there are social distancing protocols to follow, to which we have lowered our guest count to 15-20 people. If the council gives us their blessing, we would only occupy the Gazebo for no more than 2 hours for set up of equipment, ceremony, clean up, etc. I would greatly appreciate a swift response as there are only a few weeks left until our wedding.

Thank you in advance for your consideration.

Sincerely,
Jayme Thomas
